20.40 – 20.50	What is your challenge today?
20.50 – 21.00	Closing

What is a hot seat?

The principle of a hot seat is for you to get a chance to present your current biggest challenge to the group. The other participants will ask a series of questions and provide you with options and opportunities to follow up on. The person in the hot seat walks away with a lot more ideas and solutions than they could generate on their own.
